

# Bretherton Neighbourhood Plan

Residents' Questionnaire

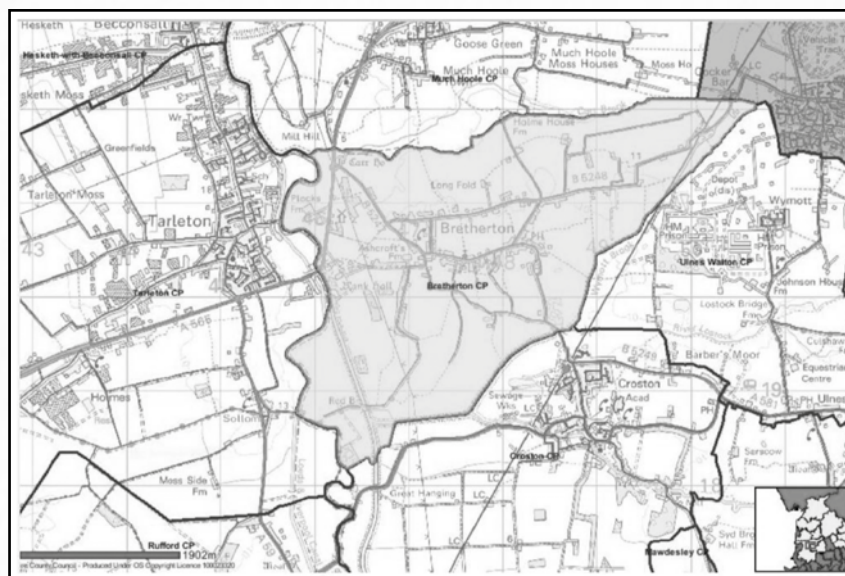

# Introduction

We are the Bretherton Parish Council Neighbourhood Plan Steering Group and we are preparing a Neighbourhood Plan covering the future of Bretherton 2022 – 2030. A Neighbourhood Plan is an important document introduced by the government allowing us to have a say about the future direction of the Parish. As well as village development, it gives all of us a forum to express how our neighbourhood should change over coming years and allows us to engage with external bodies about the future of our village.

Any references to 'Bretherton' or 'Parish' or 'Village' in this questionnaire relate to all areas within the Bretherton Parish boundary as detailed in the map below.

This questionnaire is the first step in the process. We will use the responses to it to draft a first version of the plan and then we will have further consultations with residents and businesses before a final plan is produced. Residents will then be invited to vote on the plan by referendum.

We need every resident aged 16 and above who lives in Bretherton to complete this questionnaire. Once the initial results are available, public consultations will take place to highlight the results of the survey and a draft plan will be prepared based upon your feedback. At the end of this stage, the Parish Council have to ratify the final document before it is published and you will all be asked by Chorley Borough Council to vote for or against the Neighbourhood Plan at some time in the future.

If you would like help in completing this questionnaire or need additional questionnaires for anyone aged 16 and above resident in your property, please email your contact details to **[bretherton.np@btinternet.com](mailto:bretherton.np@btinternet.com)**. Alternatively if an email is not convenient, a letterbox for correspondence with the Parish Council will be set up in the former telephone kiosk near the Blue Anchor which will be emptied daily. You may also telephone **07789 177303**.
